

# College Transition Tips

*How to Keep from being a Statistic*

1. **Maintain a daily walk with God.** *(What are you learning from God right now and not last year?)*
2. **Memorize various scripture verses that pertain to hot topics.**
3. **Set boundaries before you are tempted.**
4. **Find a local church to immediately plug in and serve.**
5. **Look for a small group or accountability partner to meet weekly.**
6. **Move away from behavioral focus to spiritual focus.**
7. **Don't fall behind with the school or job workload.** *(Procrastination leads to unhealthy prioritization.)*
8. **Create your school and work schedule around God, not the other way around.**
9. **Set a goal to share your testimony with 2 people weekly.**
10. **Realize your love for God manifests itself toward action.** *(Do you tell people you love God or do you show people you love God?)*
