

Keeping Children Safe and Secure

Individual Learner's Guide

General Objectives of this Training: This DVD training project is designed to aid individuals serving overseas in the following ways:

- To protect children that you may have contact with while overseas.
- To protect you from false allegations; which ultimately protects ministry resources for accomplishing God's task for the nations.
- To better acquaint everyone with the problem of child sexual abuse.

As you watch this DVD, think through or jot down your answers to the questions below:

1. Is spanking a form of physical abuse?

-
2. What are examples of sexual abuse that don't involve touch?

3. When might a victim of child sexual abuse not know his/her abuser?

4. Nearly 70% of all reported sexual assaults occur to children younger than:

10 12 16 18

5. Incidents of child sexual abuse peak between these ages:

1 and 5 4 and 6 8 and 12 13 and 16 17 and 18
