

olive baptist church high school ministry

The monies for financial assistance for student ministry events are provided by Olive's members. Sometimes a Sunday School class will provide part or all of a scholarship amount. Because these funds are limited, and because we wish to be good stewards of the money God provides us, we are asking those requesting assistance to fill out the application below. This will enable us to better service our students and our church.

Our students may be asked to help someone else as a ministry project or take on a few small projects around the church in order to earn part of their assistance. This will help them feel they are making a contribution.

Please do not request financial assistance because you are attending an additional school or sports trip during your summer.

Criteria for scholarships:

- 1. Must be an active participant in student ministries or have a friend in financial need who you want to bring on a trip.**
- 2. Must fill out scholarship application completely and turn in to Eric, Jeremy, or Sandy.**
- 3. Scholarships will be rewarded depending upon need and availability of funds.**
