Timothy, my dear son, be strong with the special favor God gives you in Christ Jesus. You have heard me teach many things that have been confirmed by many reliable witnesses. Teach these great truths to trustworthy people who are able to pass them on to others.

WOMEN'S DISCIPLESHIP TRAINING INITIATIVE

Won by One is a program designed with two tracks, with two types of women in mind. You choose the training that meets your needs!

TRACK 1 PERSONAL DISCIPLESHIP

For women who want to grow in the four basic elements of faith: the Bible, prayer, fellowship, and evangelism. This track is for new believers or Christians who are young in their walk with the LORD. This program will provide instruction on how to strengthen a woman's walk and help to grow her into a disciple of Jesus.

TRACK 2 DISCIPLESHIP TEAM

The women of Olive are looking to build a discipleship team and this track is for women who are ready to be equipped with the skills to share their faith and their spiritual walk in the life of another individual. This track provides the tools to mentor someone in their faith. Come experience *Won By One* and learn to equip others with skills concerning the Bible, prayer, fellowship, and evangelism. Learn to fulfill THE GREAT COMMISSION.

WHEN AND WHERE?

Won by One will be a 13-week training course offered at multiple locations on several different days in order to provide a means for as many as possible to attend this training during Olive's Year of the Disciple.
