Welcome to Olive

FEB. 25, 2018

Josh McDowell has been at the forefront of cultural trends and groundbreaking ministry for more than fifty years. His ministry serves and equips the body of Christ in raising generations of purpose-driven Christians who know what they believe, why it is true, and how to live it out. It is our joy to welcome this apologist, evangelist and writer back to Olive this morning. No Christian college student should leave home without a copy of *New Evidence That Demands A Verdict* in hand. Open your heart and mind for a great morning at Olive.

In tonight's service I have asked Dr. Stan Lewis to preach. My request is that he give testimony to the power of God as they have traveled a tough path the past month as his daughter Brittan has battled complications from the flu. You will be encouraged as you listen to the this story of God's amazing grace and the power of prayer.

Next Sunday evening is our Solemn Assembly prayer gathering. Join me at 5:30pm as we call out to the Lord for forgiveness, revival and favor. This is a powerful way to begin the month that will lead us to Easter weekend.

Sunday Evening / March 11 from 5:30-6:30pm / Room 4211 / What about those that never heard the Gospel? On Sunday night March 11, we will have a seminar to discuss this important issue. Both inside and outside the church there are several errant views about this topic, and it is hard for believers to understand and explain that God can be both loving and just toward those who have never heard the Gospel. So, come find out the 4 major views our culture has about this issue as well as what the Bible teaches.
