# Welcome to Olive

SEPT. 17, 2017

The Warrington campus launch is fast approaching. The core team is in full preparation mode. The foyer is filled today with items you can select to provide as a church shower gift for the new campus. Next Sunday we will have a special business meeting item for funding the new campus. However, the most important thing you can do is pray. Ask God to provide the people for the task. We need laborers. And request God's favor on the work. That is vital!

Thank you for stepping up to give and serve during the hurricane. We sheltered sixty-five people from the Florida Baptist Children's Home Ministry in our building for forty days and forty nights (really just three, but if was full court press). Many of you provided bedding, cooked, cleaned and served as security. In addition, we collected \$13,000 in a quick one-minute offering last week. Thank you!

We are upon the last quarter of the Relaunch giving for the new 678 Building. The target is in front of us and is reachable. I encourage you to dig deeply and be a part of this effort. Together we can!

## Special Business Meeting September 24

Contact: Dan Beard | 475-1117 or dbeard@olivebaptist.org  
Sunday, September 24th during the morning services, the church will vote on two recommendations.  
A forum to answer any questions will be held on Wednesday, September 20th at 6pm in Room 5106.  
1. Overage Recommendation:  
The Finance Committee in concurrence with the Deacons recommend the allocation of 2016-17 Budget overage funds in the amount of \$335,289.00 for the following: UWF Ministry, Warrington church Plant, Employee Enrichment, NOBTS Scholarship Fund, Moulton Property Upgrade, Self-Insurance Fund, Passmore Hall Chairs, Hill Memorial scholarship and Capital & Ministry Reserves.

2. Warrington Start Up Recommendation:  
The Finance Committee in concurrence with the Deacons recommends, given that the 2017 church budget does not include the startup cost for the Warrington Campus and recognizing that time is of the essence the finance committee approved the church administrator proceeding with procurement of approximately \$400,000 of audio visual and various items necessary for worship at the new campus.
